Begin this self-guided tour at any garden.

Enjoy your day strolling through our eight residential gardens featuring sun and shade settings. View assorted quality perennials, specimen trees and shrubs found in these NOTL old town properties which date from the 1930s to 2006.

All the gardens have experienced extensive changes through time. Feature elements include unique statuary ornaments, restful ponds in addition to structural ideas for attractive garden sheds, gazebos, secret garden rooms and terracing.

Please **DO NOT** bring pets into the gardens. Thank you.
